

CATHEDRAL OF OUR LADY OF WALSINGHAM

PARISH & SHRINE

The Human Person

2020-21

Catechists: Mrs. Jessi Caruthers, Mrs. Kim Valdez

Overview:

The purpose of this course is to help the student understand the inherent nature and dignity of the human person and then begin to apply this understanding to the quest for human fulfillment, and contemporary issues facing the classical definition of the human person today. This course begins by considering what and who the person is. Through the application of reason and foundational philosophical principles, a sound argument will be made for the nature of the human person. From here, students will be able to consider human happiness, the good life, and virtue. Throughout the course, emphasis will be given to the importance of a robust theological anthropology in discussing the cultural debates facing the human person and his place in the world today.
